GRAPHIC DESIGNER

ABOUT

I currently manage a design and printing services office. One of my most important duties is reviewing designs before submitting them to a printing press to ensure the best results. I have years of experience using Adobe Illustrator and Photoshop. I also manage designs and social media posts.

STUDY & TRAINING

I'M A PASSIONATE GRAPHIC DESIGNER WHO BEGAN EXPLORING THE WORLD OF DESIGN DURING HIGH SCHOOL. WITH SELF-LEARNING AND DEDICATION, I DEVELOPED AND REFINED MY SKILLS UNTIL I MASTERED THE FUNDAMENTALS AND TOOLS OF THE FIELD. LATER, I TRANSITIONED INTO HANDS-ON TRAINING AT PROFESSIONAL DESIGN STUDIOS, WHERE I PROVED MY CAPABILITY TO DELIVER CREATIVE AND HIGH-QUALITY WORK THAT MEETS BOTH CLIENT NEEDS AND MODERN TRENDS.

Bait Karim
Restaurant & Cafe

BAIT KARIM

The logo and identity of Bait Karim were designed in a modern and elegant style that reflects the warm Jordanian spirit and authentic Eastern hospitality. The color palette was carefully selected to create a balance between comfort and professionalism, with a contemporary touch that appeals to both café and restaurant audiences.

SOME OF MY WORKS

IBN SINA

The IBN SINA logo was designed with a clean and structured style to reflect the professionalism and precision of the medical field. The combination of Arabic and English elements emphasizes the brand's regional identity and global vision. The sharp lines and minimal design convey trust, reliability, and advanced medical services.

SOME OF MY WORKS

LAW ARGUMENT

The logo for the law office was designed with a classic and elegant style to represent justice and professionalism. The scales of justice symbolize balance and fairness, while the calligraphic design adds a cultural and distinguished touch, reflecting the office's commitment to upholding legal values with integrity and expertise.

SOME OF MY WORKS

FRESH EYE

The Fresh Eye Entertainment Center logo has a modern and dynamic design that combines creativity with clarity. The use of blue and purple colors gives it a vibrant and energetic feel, suitable for an entertainment brand. The stylized "FE" initials form a unique geometric shape, making the logo memorable and visually appealing. The clean white text balances the design, giving it a professional and contemporary look.

SOME OF MY WORKS

ROYAL OPHTHALMOLOGY CENTER

The Royal Ophthalmology Center logo features an elegant and luxurious design that reflects the high quality of medical services and specialized eye care. The use of gold color symbolizes luxury and excellence, while the crown above the letters highlights the center's royal and professional character. The clean and clear lines give the logo a modern and trustworthy appearance.
